

## Selectmen's Meeting September 22, 2009

Members attending: Lynn Sweet, Chairman, Stephanie Gray, and R. Stephen Leighton

The meeting was called to order at 6 P.M.

### New Business:

The Town Office is in need of a generator since the electricity has been lost on numerous occasions. The Board decided to place an ad in Fosters Daily Democrat to request sealed bids for the purchase and installation of the generator in hopes of having the generator installed by December 1, 2009 meeting.

A move was made, seconded and voted in the affirmative to accept the minutes of the September 8, 2009 meeting.

### Appointments:

Don Clifford and Shaun Barry, President of the Swamp Stompers had a conversation with the Board about a park and ride area they would like to establish and plow for snowmobilers to use during the snowmobile season. The Board suggested they contact D.O.T. as they would have jurisdiction over the area.

A concerned resident came in with questions on the usage of Class 6 roads by 4 wheelers.

### Correspondence:

VNA requested permission to use the Town Hall to administer flu shots. A tentative date and time of October 27, 2009 between 10 A.M. – 12 noon was approved by the board.

A letter was also received regarding the usage and maintenance of Class 6 roads. The Board decided they would need to refer the questions to the town attorney.

There being no further business the meeting was adjourned at 6:32 P.M.
